

Community Child Care Council (4C's) of Alameda County

Providing Services to Families, Children, and Childcare Professionals since 1972

To Whom It May Concern:

Deborah Bishop, licensed child care provider in Fremont (license #013414483), has participated in our Child Health and Nutrition Program since 1995. 4C's Child Health and Nutrition Program sponsors the Child and Adult Care Food Program for licensed family child care homes which provides reimbursement for serving nutritious food to children in care. Providers also receive nutrition education, health and safety information and recipes.

For over 18 years, Ms. Bishop has served nutritious meals in accord with federal and state program requirements. During unannounced visits to Ms. Bishop's child care, children are observed to be well fed, clean, safe and happy.

Ms. Bishop always submits her monthly menu on time. Recently Ms. Bishop was selected to be featured in our program video highlighting the excellent meals served in her care. To view the video, visit:

Currently, Ms. Bishop is participating in our Child Care Obesity Prevention Policies project that works with child care programs to develop and implement policies and best practices in the areas of child feeding, food service and physical activity.

It is a pleasure having Ms. Bishop on our program. If you have any questions, please contact me at (510) 584-3122.

Sincerely,

S Clarke
